MaxiSYS MS908S Pro

The MaxiSYS MS908S Pro is now our most powerful diagnostic scan tool. It features a 9.7" LED capacitive touchscreen and upgraded, top-of-the-line hardware. The MS908S Pro is one of our most advanced tablet scanners available, with a hexa-core processor, double the memory at 64G, better quality 8MP camera, and 2 USB ports. It includes our easy-to-navigate MaxiSYS System Suite applications and MaxiFlash Elite J2534 pass-thru programming device, with an internal Bluetooth VCI.

PART# MS908S Pro

Includes: MS908S Pro Tablet, MaxiFlash Elite, USB Cable, Charging Cord, Connector Kit, AC/DC Adaptor, User Manual and Carry Case
